MISSION

Purpose

The purpose of this mission is to gather more information on Pluto.

You can start by hacking into <http://nana.ctf.hf>

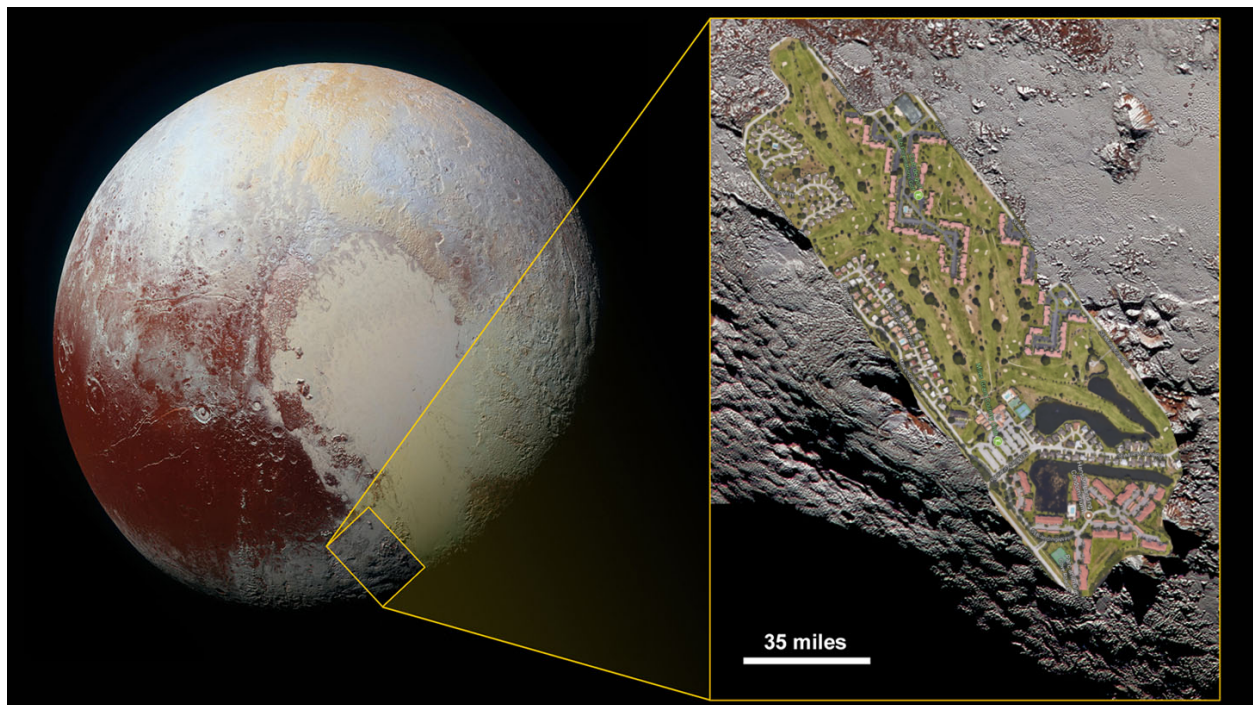

Duration of the MOA

The period of this Mission shall begin **2017-10-03 17:00** and be effective through **2017-10-04 02:00**.

More information

3.1 Mission Falcat 9

During our benchmark test of our new Falcat 9 spaceship. We rotate around Pluto and we were able to take some picture. When the spaceship come back on earth, we analyze those pictures and found something strange on Pluto. It look like this. The NANA deny the information. We need to know !
